How to ... Subject Subscription

Subscribing to a subject makes grids available in the Toolkit in Input Data. This is where you will be able to mark stars and access the content.

1.	**Select Subject Subscription** Select Subject Subscription from the main dashboard.	
2.	**Select Your Required Subject** Select a subject from the drop-down menu.	
3.	**Wide Range of Grids** The content includes a wide range of grids. The icons beside the grid name describes the grid characteristics: KS (STATonline) Select ➕ to add a grid to your list. Your grid will now appear in your ToolKit. (For further information on marking models, see helpsheet Marking Models).	
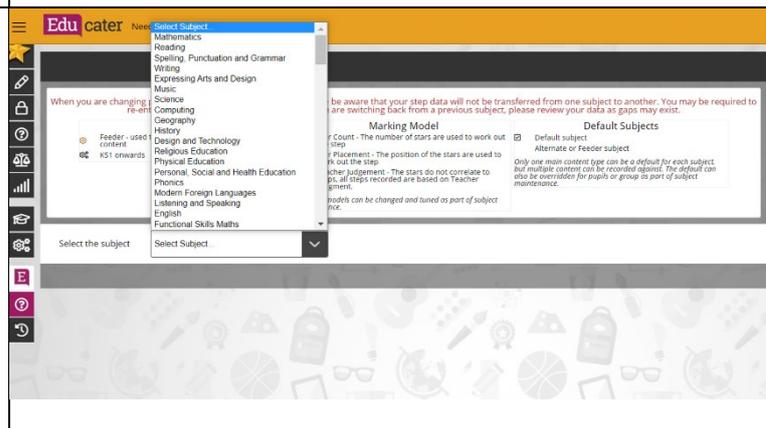

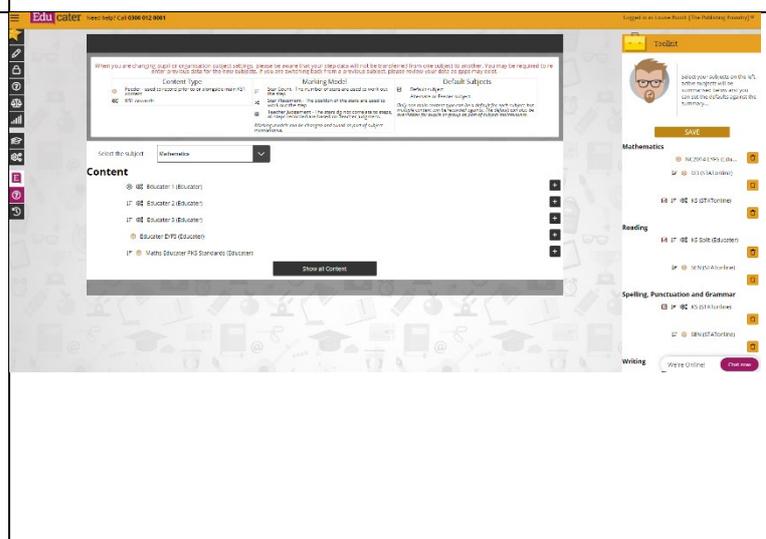

4.	ToolKit
	You can select as many grids as you wish and all of them will show in your ToolKit.
	They will now be available in the ToolKit in Input Data.
	Only one grid can feed through into Sign-Off Judgements.
