

How to... Integration for Wonde Users

NOTES: We are partnered with Wonde to enable schools to connect and synchronise the Educater system with your MIS. As your school already uses Wonde for other third-party applications, your Wonde Administrator can log into the Wonde Portal to approve the connection.

1. Initial Contact with Educater

Once you have signed your contract, your organisation will be created in Educater. You will receive your welcome emails which includes your log in details.

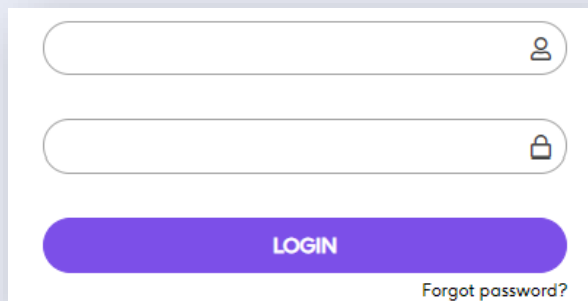

2. Log into Educater

Open a browser (e.g. Google Chrome) and navigate to our website www.educater.co.uk.

At the top right click on:

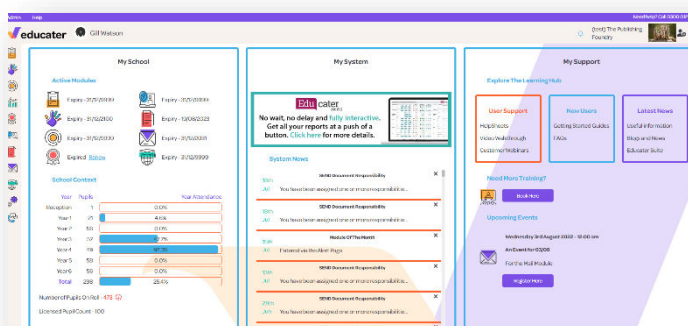

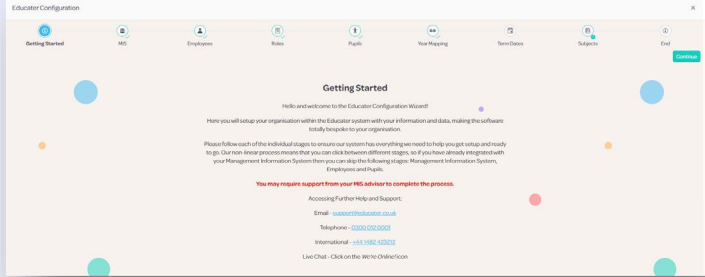

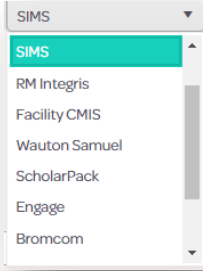

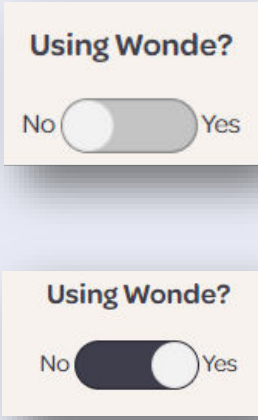

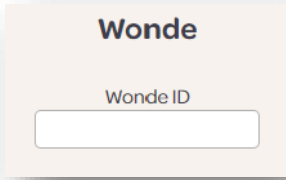

Use the details supplied to you in the welcome emails.

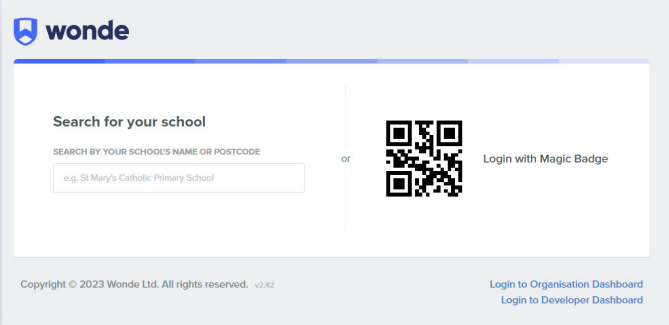

3. Your Organisation

You will be directed to your organisation's dashboard.
